CHRISTIAN ACADEMY

Financial Agreement

Financial Agreement

Bay Ridge Christian Academy operates on a very controlled budget. An integral part of maintaining that budget is the timely receipt of all registration, tuition, school fees and after school care. In order to accomplish this BRCA/School Board has adopted the following tuition payment policy. This policy will be **strictly adhered to** and enforced by the Administration.

Every student entering the Academy is required to sign a Tuition Contract, which must be signed by both parents (if living together), and returned to the Academy. The contract must be signed by the party responsible for paying tuition.

Tuition can be paid directly through Headmaster, and it will immediately be applied to your account. Once your child is registered for the school year, you will receive online access which will include your username and password. Tuition is due on the first of every month, beginning August 1st and ending on May 1st. For example:

September Tuition is due on August 1st

October Tuition is due on September 1st

November Tuition is due on October 1st

If payment is not received by the **15th of the month**, a **\$10.00 late fee** will be added to your account. No refund will be given if a child is sick or on vacation. The contract must be honored for (10) months.

Parents paying for a **full year's tuition will receive a 3% discount** from the total year's amount. This **ONLY** applies to students paying "**Regular**" tuition.

If a student is expelled or withdraws voluntarily during the school year, book fees, school fees, and registration fee are non-refundable. Tuition payment will be charged for the full month during which the student was in class. Any payment made toward upcoming months will be refunded.

Students may be dismissed from the Academy because of non-payment of tuition. Failure to meet the contract will result in the following actions:

- a) **Report card and your child's permanent records will be withheld.**
- b) **Diploma will also be withheld.**
- c) **Children cannot be re-registered for the new Academic year until all balances are cleared. This includes tuition, school fees and after school, etc.**

As a reminder, we encourage parents to make their payments online via our website, which can be accessed at **whcacademy.org**.

Early Withdrawal

A family who withdraws a student from the school after the start of school is responsible for paying tuition for each month, including any portion of a month the student was in attendance. Any student who attends for at least 5 days of any month will be charged for the entire month.

Mid-Year Entry

When a student enters the school during the year, tuition will be charged for each month the student is registered (regardless of the number of days in attendance the first month) on the basis of one-tenth (1/10th) of the annual tuition.

Returning Families

Returning families registering for the upcoming year must have their accounts current to be eligible to re-register. **Registration will not be accepted if there is an unpaid balance on an account.**

Returned Checks

If a check is returned insufficient funds you will be required to pay the amount in **cash**, as well as the **\$25.00 return check fee**. This is the amount our account is charged by the bank. In the event your check is returned on two (2) occasions you will no longer be allowed to pay by check. **All future payments will have to be made by cash.** When a check is returned parents must call the office immediately and make arrangements for payment within 3 days.

Family Tuition Discount

Families with two or more children will be entitled to a sibling discount.
